

Booking a Course with the Education Card (BuT)

Please complete a separate form for each child.

We request that you help to speed up our processing by pre-registering on our booking portal at <https://shop.bielefelderbaeder.de/de/> !
After opening the link, go to "Other Persons" to add the details for your child.

Kindly complete the form legibly and then hand it in at the designated offices so that we can quickly and easily enrol your child in a swimming or water familiarisation course. The designated offices are listed at the bottom of the form.

Please note that you are not entitled to a place on a course just by completing the form. You will be sent a detailed booking confirmation to the email address you provided once booking is complete. We will also notify you by email if there is no place available on a course that matches your details.

Bear in mind that you must complete this form once again if you wish to send us a new request. It is not possible to reserve a place on a later course. There are also no waiting lists. You must always state the IBAN for your bank account.

In the event that there is insufficient credit on your Education Card, the booking can only be completed if you have provided a valid IBAN. The difference will be charged to the account provided by you.
